

EMBRACE HOPE CENTER

*CALLING CHURCH CONGREGATIONS AND INDIVIDUALS
IN COLORADO SPRINGS TO SAVE LIVES
AND TRANSFORM CULTURE AND FAMILY*

Center Dedication is January 19, 2020 Sanctity of Human Life Sunday!

Embrace Hope Center is an upcoming “pregnancy and beyond” community outreach in Colorado Springs. This is not just to save babies and serve pregnant women but to equip the church to transform the way this culture does relationships and family, serving men *and* women. It’s a different model than the typical pregnancy resource center where all services are offered in one location. We will do the initial intake at the center and refer clients to trained advocates from churches closest to their residence for follow-up, mentorship, and discipleship if there is interest. Clients can be welcomed into the safe church community. We’ll serve the neediest populations while equipping your church to become a safe place to run. Services will be offered through caring individuals and churches that desire to see lasting redemptive change in their surrounding communities. Contact us at Embrace.Hope.Center@gmail.com or 719-582-HOPE (4673) to become an integral part of this ministry. We need men volunteers to work with the dads just as much as women for the moms. Training is provided!

EMBRACE HOPE CENTER

*SAVE LIVES AND TRANSFORM CULTURE AND FAMILY
IN COLORADO SPRINGS AND BEYOND*

Center Dedication is January 19, 2020

Sanctity of Human Life Sunday!

(Opening date: ASAP as sufficient funds and in-kind donations are available)

Embrace Hope Center is accepting tax-deductible donations of funds to cover the start-up expenses or gifts in-kind (new or gently used and good-working condition) to lower the start-up expenses. We can lower costs further with volunteer professional contractors, handyman and general labor help. Any individual, business, or church that provides \$500 or more in funds or in-kind donations toward these expenses will be listed on our website as a sponsor. Contact us at 719-582-HOPE (4673) or Embrace.Hope.Center@gmail.com if you have any questions.

START-UP EXPENSES or GIFTS-IN-KIND Approximately \$40,000

Construction Costs
(remodel space)

FIRST YEAR BUDGET Approximately \$60,000/yr \$5,000/mo

Our budget is based on being open part-time (20 hours/week). We will need one-time, annual, and monthly donations and are working on additional income streams to help fund this. We will open our doors as soon as we have sufficient funding. Contact us at Embrace.Hope.Center@gmail.com or 719-582-HOPE (4673) if you have any questions.

NOTE: If you are already supporting Life Network (Colorado Springs Pregnancy Centers), we do not wish to hurt their great ministry by taking away their support. However, if you can support us both, please do!
