

Statement of Principles

1. Hope and Grace International, Inc. (HGI) is an outreach ministry of Jesus Christ through His church. Therefore, HGI, embodied in its staff, volunteers and ambassadors, is committed to applying the gospel of our Lord— both in word and deed – to our mission of equipping the church to redemptively address abortion. Commensurate with this purpose, those who labor as HGI board members and staff are expected to know Christ as their Savior and Lord.
2. HGI is committed to
 - a. THE SANCTITY OF ALL HUMAN LIFE, born and unborn, in all circumstances.
 - b. SHOWING AND TEACHING COMPASSION for all those who have lost children to abortion or who have been involved in abortion in any way in order to lead them to godly sorrow, salvation, and healing.
 - c. EQUIPPING THE CHURCH with accurate information and resources to fulfill our mission and vision.
 - d. INTEGRITY in all our efforts and in relationship within the church and without. HGI denounces any form of deception in printed material, any media, and all conversations, both written and oral.
 - e. PARTNERING AND COOPERATING with other like-minded organizations and people to create a safe and healing culture in the church toward those who have been involved in abortion and championing new moms and dads for life.
 - f. CREATING AWARENESS within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.
3. HGI does not discriminate in providing education or services because of race, creed, color, national origin, age, marital status, gender, or sexual orientation. Furthermore, HGI will be respectful of all people, regardless of beliefs, though respect does not equal agreement.
4. HGI does not recommend or refer for abortion or abortifacients under any circumstance.
5. HGI will not endorse or denounce any political party, candidate, policy, public protest, constitutional amendment, bill, or the like except to provide information for the purpose of educating the public on benefits or ramifications of such.
6. HGI board members, employees, and volunteers will not engage in any public political or controversial anti-abortion activity such as picketing, protesting, or public praying while displaying signs of any kind.
