Hope and Grace in a Culture of Death

Commitment to Godly Conduct

We at Hope and Grace International, Inc. (HGI) thank you for your desire to share in this ministry as we equip ministry leaders to address abortion in the church by creating a safe and healing culture of Christ's hope and grace and seek to make abortion unthinkable. We ask that you commit to the following conduct in your role with HGI.

1. I have accepted Jesus Christ as my Savior and Lord and am attending church regularly. I am also involved in spiritual growth with other Christians (e.g., a Christ-centered accountability relationship, Bible study, or a Sunday school class.) I agree with HGI's Statement of Faith. I am in agreement with the policies, procedures, and philosophy of HGI. I have read and agree with the Statement of Principles.
2. I promise to live above reproach and within Biblical standards of sexual conduct for my marital status. As a single person, I will live a sexually abstinent lifestyle. As a married person, I will not participate in extramarital sex. As a married or single person, I promise not to engage in any homosexual activity.
3. While serving as an employee or volunteer, I will not participate in any abortion-related picketing, protesting, sidewalk counseling, rescues, or any activity that is against HGI policy and beliefs or reflect negatively on the organization. I will not intentionally endanger HGI's clients, volunteers, staff, facilities or reputation.
4. In my work with HGI I agree to uphold the Biblical principle of the sanctity of human life and agree with HGI's policy of not recommending or referring anyone for an abortion.
5. I will ask about things I don't understand and offer suggestions if I become aware of problems. In this way I will help HGI improve. I will not knowingly or intentionally misrepresent HGI's policies and procedures and will not speak officially on behalf of HGI without proper training and clearance.
6. I acknowledge that God is as interested in transforming my life through the work of HGI as He is in the mission of HGI.
7. I acknowledge that God may use HGI to rework the priorities in my life, test and strengthen me, and reshape my relationships.

"Let us not lose heart in doing good, for in due time we will reap if we do not grow weary."

GALATIANS 6:9
