Hope and Grace in a Culture of Death

Commitment to Represent and Uphold

I have read Hope and Grace International's (HGI) Statement of Faith, Statement of Principles, and Commitment to Godly Conduct. I verify that I commit to represent and uphold the values, principles, and viewpoints of HGI in my Board membership, employment, or volunteer work, and in any activity or conversation in which I engage on behalf of or in relation to HGI, whether or not I personally agree with everything. I will honestly address any points of clarification or disagreement with my Hope and Grace Ambassador or qualified HGI Representative.
