Commitment to Represent and Uphold

I have read Hope and Grace Global's Statement of Faith, Statement of Principles, and Commitment to Godly Conduct. I verify that I commit to represent and uphold the values, principles, and viewpoints of HGG in my Board membership, employment, or volunteer work, and in any activity or conversation in which I engage on behalf of or in relation to HGG, whether or not I personally agree with everything. I will honestly address any points of clarification or disagreement with the Executive Director.
